CONCERT
for Malakai

Friday Nov 26th

6:30-10:00pm
doors open at 6:00

Oakwood Church
Hwy 83 in Hartland, WI

bake sale, silent auction & refreshments

Malakai Kaesermann was born June 3rd 2010 with complex congenital heart disease requiring three heart surgeries. The first was performed in June. It was successful but created several other conditions that have required constant medical attention and hospitalization. His 2nd open heart surgery will be in November and another at 2 years old. Extensive ICU hospital stays, equipment rentals, etc, have resulted in a financial burden for Malakai's young parents.

Friends of Malakai are hosting a benefit concert. Proceeds will go to Malakais' family and help offset enormous medical bills. Your contribution to the benefit will be an encouragement to Malakai's parents. Thank you for considering a donation of any item(s) or service(s) possible to help make this a success!
